The opportunities/goals of this program:

1. Gain a better understanding of questions and concerns in the community
2. Provide answers to questions/concerns
3. Humanize Steering Committee

I. Welcome
II. Committee Introductions
   a. Name
   b. Institution
   c. Why they are part of the process
III. Quick overview
   a. What’s happened in the process so far
   b. What’s happening right now
   c. What will happen next/timeline/overview of the process
   d. Plant a seed question for the audience to consider. *The set of principles from the process are all designed to garner community trust in this process. We want to make sure that, as recommendations are developed and implementation begins, that you will trust in the outcome. The question we have for you is…..What will you need to have as part of the process, as part of the recommendations, to have this trust? What information will you need? What assurances will you need throughout the process?*
IV. Q&As from audience
V. Come back to the question: What will you need to have trust in the outcomes of this process?
VI. Wrap up
