Focus Group Selection

Create a form for library directors to provide information to be considered for participating on one of the focus groups. The following are ideas the project managers brainstormed about what information could be gathered to help provide Russell Consulting with information:

- **PLSR participation**
  - Workgroup member: yes/no
  - Attended, listened to, or participated (one & more than one once options)
    - Steering meetings
    - Steering subcommittee meetings
    - Listened to recordings or read minutes of workgroups
    - Conference sessions
    - Survey panel
    - Workgroup review panel
- **Served on a WLA committee in the last 5 years: yes/no**
  - Comment box: If yes, which committee(s)
- **Participated in my system’s governance with active committee participation in the last 5 years**
  - Comment box: If yes, indicate how you participated?
- **How many years have you been a library director?**
  - Less than a year, 1-5, 6-10, more than 10 years.
- **Number of systems where you've worked at a library: enter number**
- **Have you worked in any other states in the last 5 years?**
  - Comment box: If yes, which states?
- **Size of community: duplicate what we've used for other surveys.**
- **Library system your library is a member of: drop down list of systems**

**Parameters for selection by Russell Consulting**
- Representation of various sized communities
- Geographic and system representation from across the state
- Various participation levels in PLSR
- Various levels of participation at the system and state level
- Various levels of experience as a director by number of years, number of systems and other states
