- Thursday, May 24th, 2018
- UW-Baraboo
- 45 minute session

Speaker for the session:

- To be determined
  Steering members available? Anyone near UW-Baraboo?

Describe how the anticipated speaker(s) is/are qualified or most appropriate at this session:

- Speaker is a member of the PLSR Steering Committee that has been working on this project for 2 ½ years.

Proposed session title:

- PLSR: What does it mean for you?

Describe the proposed session:

- The Public Library System Redesign Project (PLSR) is a community-based project focused on how to best provide equitable public library system services in WI. Building on the work of many, its goal is to develop a plan for implementation of new models of service. A final recommendation report will be delivered to the DPI in August of this year. Members of the PLSR Steering Committee will share information about the project and what it may mean for you & your library in the future.
