10. Straw Poll of the Two Models
11. Expectations for Day Two:
   • Significant time for personal reflection upon the two models
   • Sharing of personal insights and preferred way forward
   • Open sharing and dialogue in both large and small group setting
   • Forging recommendations and next steps

Evening Agenda
• Report on Chapter 43 Workgroup Recommendations during Dinner

Day Two – July 31

1. Desired Outcomes for Day Two and the Summit Overall
2. Review of Redesign Principles
3. Personal Reflection – Individual participants engage in deep reflection, reviewing the two models by responding to a series of guided questions, and formulating some key insights to share with others at the Summit
4. **Ground Rules for Facilitating Dialogue**

5. **Open Dialogue Session**
   - Summit participants voluntarily share the results of their personal reflection
   - Others listen with open hearts and minds, asking questions, exploring reasoning

6. **Themes from the Open Dialogue Session**

7. **Small Group Dialogue Session**
   - Participants continue sharing their personal insights and perspectives
   - Others listen with open hearts and minds, asking questions, exploring reasoning
   - Groups surface and discussing common themes, noting areas of agreement or consensus

8. **Straw Poll** – Gauging the pulse of the group on the path forward

9. **Small Group Discussion of Recommendations and Next Steps**
   - Small groups discuss what the Summit should recommend to the Steering Committee and what ideal next steps should be to move things forward

10. **Small Group Discussion Report out and Large Group Discussion**
    - Identifying areas of common ground/consensus
    - Noting areas that are near agreement or consensus
    - Identifying remaining areas where there is disagreement – and what underlies this disagreement

11. **Public Comment Period**

12. **Concluding Remarks: PLSR Steering Committee Chair and DPI**
    - Identifying Next Steps
